The John Gorton Campus Car Park will be located within the Parliamentary Zone in Canberra. Indigenous-owned company, Barpa, was awarded the contract to design and construct the multi-level car park which will provide approximately 1,100 car spaces and will also include a childcare centre and electric vehicle charging stations.

Ausco's Canberra team were tasked with providing a safe and comfortable temporary site setup for Barpa's team on the ground for the project duration.

A 12x12m office building complete with furniture package, 12x3m meeting room, 6x3m First Aid facility, multiple 12x3 lunchrooms complete with furniture, under-sink hot water boilers and whitegoods, changerooms, male and female ablution blocks, waste tanks with high level alarms and pre-assembled steps and landings were delivered to site and installed.

Get site ready with Ausco Modular's 360° Solutions range of products and services tailored to suit any project and space needs. Let Ausco be your working spaces specialist so you can focus on what you do best.
