Challenging site access and a sloping landscape were no match for Ausco Modular's capabilities when tasked with providing temporary facilities for Lindisfarne Anglican Grammar School on the NSW north coast. The installation of two 12m x 6.9m Learning Centres with verandas and prior site works were completed without disruption to the school's normal operations and will remain on site for a convenient long-term hire period.

Changing demographics, renovations or emergencies require swift responses. Modular space can answer the call quickly and effectively and Ausco Modular is the best in the business. Our team has the experience, expertise, range of products and services you can rely upon when making critical decisions about your learning environment. When you hire or buy a building from Ausco, we'll have you up and running in no time.

From individual classrooms to the construction of entire schools, we manufacture a complete range of educational buildings and facilities for hire or to purchase.
